

2018 Retail Day of Giving Participation Form

Spring Into Giving ~ May 1, 2018

Event Information: This unique, one-day fundraiser was created to support nonprofits and businesses in Custer County. **“Spring Into Giving”** will be held on May 1st. Patrons are encouraged to shop at participating local businesses who have agreed to donate a portion of their sales on that day to the Custer County Foundation. The donations will be put in a grants fund at the Custer County Foundation and will be distributed back to local nonprofits in the form of grants. This retail day of giving has been created with three specific goals in mind: To raise awareness of the current philanthropic needs of our communities, to support our local businesses by promoting local shopping, and to inspire donors to circle together and make a difference in Custer County.

Please consider the incredible benefits of participating in “Spring Into Giving”:

*Help your community by helping nonprofits; the proceeds go back to helping local organizations through the Custer County Foundation

*Your business name will be included in promotional materials as a participant in the county-wide, broad based fundraiser supporting local charities.

*Your participation is tax deductible!

Questions regarding event participation should be directed to the Foundation office.
